

BADLANDS MINISTRIES 2023

everything you need to know

CAMP BASICS

Campers at *Badlands Ministries* are placed in small groups with young adult counselors who guide them through each day of activities. Our ministry strives to bring our Christian faith to the reality of today's children and youth, and our summer programs emphasize faith growth, relationship building, love for God's creation, and developing young leaders.

We hope this summer is a time for your whole family to grow in faith through this experience! We believe that the home is a very special place for the faith formation of your child, and are proud to be your partners on this journey we call faith. Join us at 10am on Fridays for closing worship in the dining hall. Like us on Facebook for the livestreaming of our closing worship and for pictures from the week.

HEALTH FORM

If you registered online using our innovative and safe process, you have already filled out your camper's health form and do not need to do anything else. If you prefer to register using a paper form, please download a health form from our website and bring it with you during camper check-in. If your camper takes medication regularly through the school year, please continue that schedule through his/her time at camp. All medications will be kept in the Medic Station. Please supply all medications in their prescription bottle or original container during check-in.

REMAINING BALANCE

Registering online allows you to pay your camper's deposit and remaining balance at any time with your Visa or MasterCard. To keep your registration as simple as possible, we ask you to please pay your remaining balance **one month prior to coming to camp**. Please follow this same time frame if you registered via paper registration.

CHECK IN

Check-in is on the first day of your camp session from 4:00 PM - 5:00 PM outside the Church*. This is a time for you to get your camper settled into their cabin for the week. Our medic will be available to take medications and follow up on any camper health concerns listed on your health form. To respect our staff's time, please do not arrive before 4:00 PM on check-in day. **If weather doesn't cooperate, a table will be set up in the Dining Hall.*

CANTEEN

Badlands Ministries offers an assortment of snacks and souvenirs in the Canteen. Campers are allowed one beverage and one snack item per day. **The cost for daily snacks and beverages is included in the registration cost, as well as a 2023 camp t-shirt!** Other merchandise ranges from \$5.00 - \$45.00 and can be purchased on the last day of your child's camp session or visit our camp store online at <https://badlandsministriescanteen.square.site/>

SERVANT PROJECT DONATION

Each summer, *Badlands Ministries* collects items as an in-kind offering to share our resources with those who need them to live out our Christian faith through service. Last summer, we collected over 1100 non-perishable items to distribute to area food pantries. **This year we will be making quilts for Lutheran world relief. If you would like to donate fabric or thread, that would be greatly appreciated.** Check out this website for more information: <https://lwr.org/quilts>

Caring for all of God's people is central to our faith—the Spirit equips us for this important task! We encourage you to demonstrate this in your own life as you consider the needs in our congregations, communities, and world. Let's respond in faith to these needs. Thank you!
