

A Special Message For Donors

the Badlands Bulletin

Our legacy is the mark we leave behind on the world through our family, character, and contributions.

Over my 25 years with Badlands Ministries, I have come to understand and appreciate that this life-changing ministry is a shared legacy for many. For the past 98 years, people have generously made gifts to our ministry to share the love of Christ and bring faith to life, and our world is a better place because of it. Badlands Ministries is my legacy... it is your legacy... it is our legacy together.

2025 was another fantastic year made possible by faithful donor support:

Because you give...we were able to minister to 1,496 campers through our on-site programs, community day camps, and outreach programs.

Because you give...we served 700 youth, families and adults through our year-round retreats and events last year. We also served over 2,400 additional guests through hosting 44 groups including family reunions, weddings, youth groups and church retreats.

Because you give...we had another successful year financially and continue to keep our camper and retreat fees affordable so no one is turned away from camp for financial reasons.

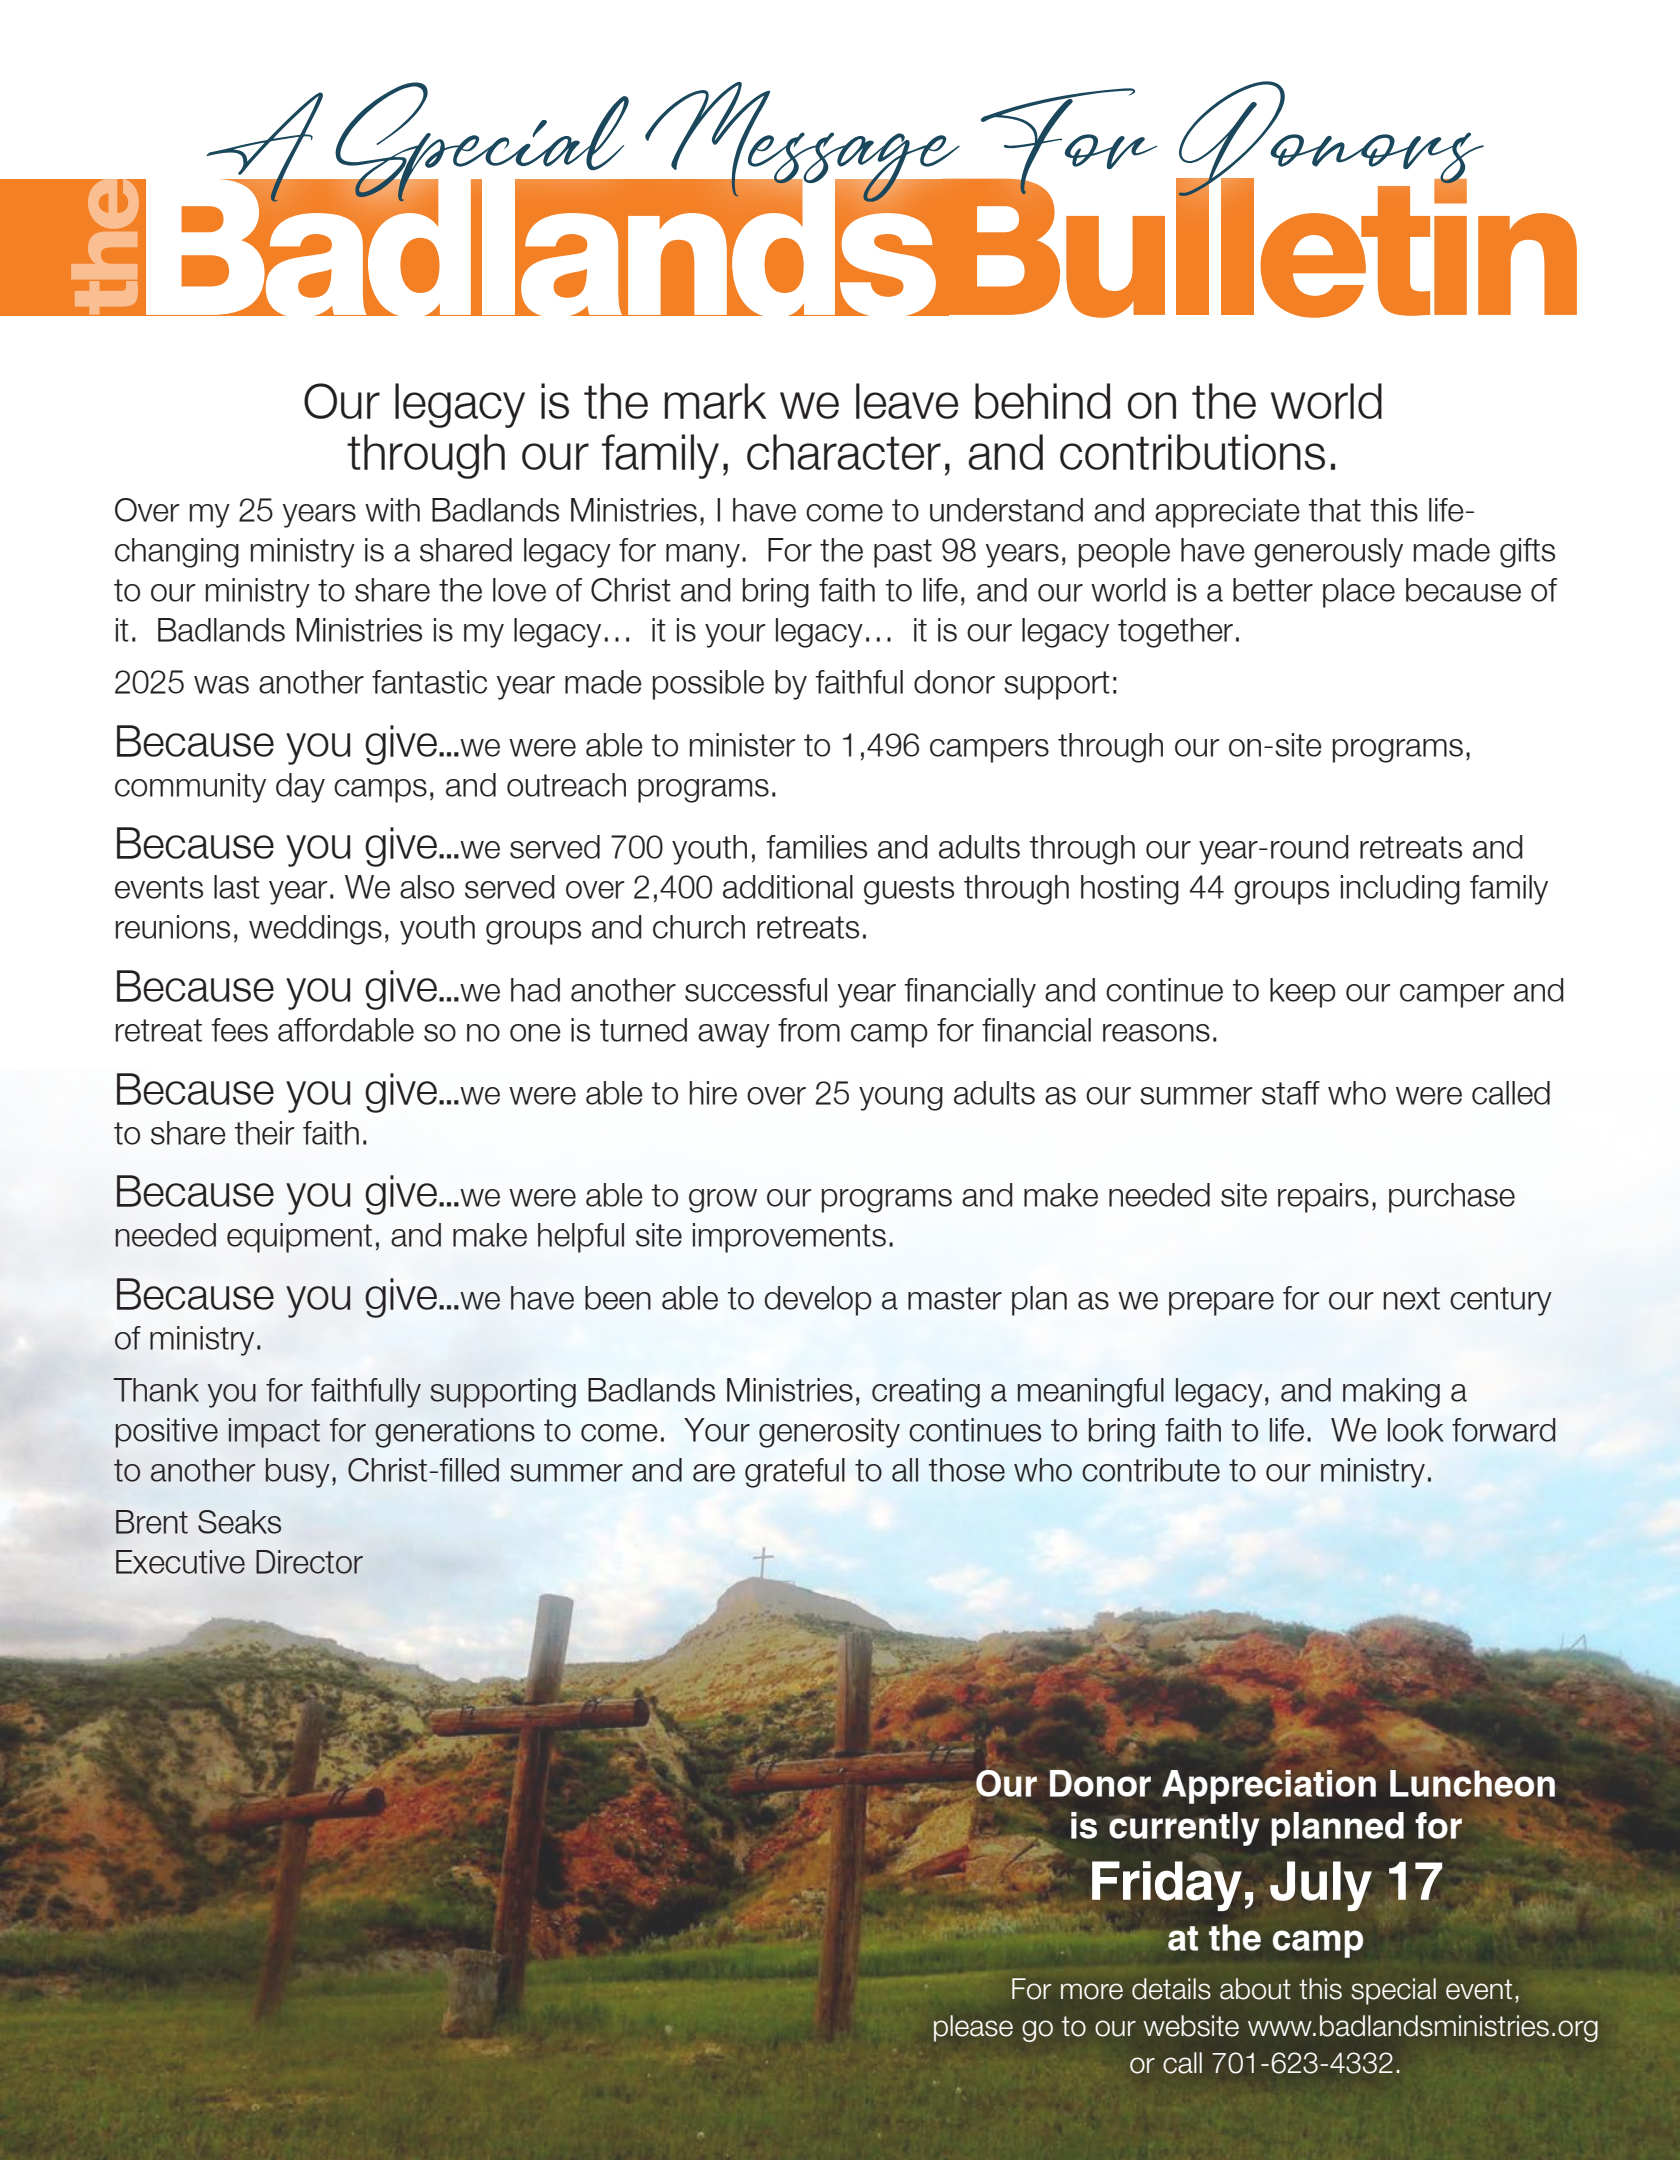

Because you give...we were able to hire over 25 young adults as our summer staff who were called to share their faith.

Because you give...we were able to grow our programs and make needed site repairs, purchase needed equipment, and make helpful site improvements.

Because you give...we have been able to develop a master plan as we prepare for our next century of ministry.

Thank you for faithfully supporting Badlands Ministries, creating a meaningful legacy, and making a positive impact for generations to come. Your generosity continues to bring faith to life. We look forward to another busy, Christ-filled summer and are grateful to all those who contribute to our ministry.
