2022 ANNUAL MEETING INFORMATION – UPDATED 11/16/2022

This year, the Badlands Ministries Annual Meeting will be held on **Sunday, November 20th in-person at St. John Lutheran Church in Dickinson** in the fellowship room on the main level. The meeting was going to be held at the camp, but was changed to this location for better winter weather accessibility. We will have pie at 2pm, and our meeting will start at 2:30pm. While voting delegates will need to attend the meeting in person, our constituents can watch the meeting live online via Zoom and will have the opportunity to comment or ask questions. We will provide the link to our annual meeting on our website prior to the meeting along with our printed annual report in a PDF format.

Please contact Brent Seaks at 701-290-6973 with any questions.
