

A Special Message For Donors

the Badlands Bulletin

For the past several weeks, I have met with many camp supporters in sessions called *What Now* *What Next* to share information about Badlands Ministries, discuss the current and future needs of those we serve, examine our programs, facilities, and funding, and to explore our future as we dream together. We still have more of these sessions planned, but it is already clear that this ministry has a long history of transforming lives through Christ and is well-positioned to continue this impactful work. There is excitement about the opportunities ahead as we begin planning our next century of ministry. This happens because of your generosity.

2024 was another fantastic year made possible by faithful donor support:

- **Because you give**, we were able to minister to 1,520 campers through our on-site programs, community day camps, and outreach programs.
- **Because you give**, we served 700 youth, families and adults through our year-round retreats and events last year. We also served around 2,500 additional guests through hosting 43 groups including family reunions, weddings, youth groups and church retreats.
- **Because you give**, we had another successful year financially and continue to keep our camper and retreat fees affordable so no one is turned away from camp for financial reasons.
- **Because you give**, we were able to hire over 25 young adults who were called to share their faith as our summer staff.
- **Because you give**, we were able to grow our programs like “Generations Connecting at Camp” and make needed site repairs, purchase needed equipment, and make helpful site improvements.

Thank you for faithfully supporting Badlands Ministries. As we explore what is next for us in the years ahead, we know that faithful donors will always be key to surviving and thriving. Your generosity brings faith to life. We look forward to another wonderful, busy summer and are grateful to all those who contribute to our ministry.
