

A Special Message For Donors

the Badlands Bulletin

Summer camp and year-round programs are key to our ministry, but there is more to Badlands Ministries. Each year, we host over 50 outside groups. Most are youth and ministry groups of many different denominations. Over 2,600 people come to our site each year for their gatherings and events. They choose Badlands Ministries' beautiful site and majestic setting for their retreats and camps, and faith is shared, experienced, and strengthened. Badlands Ministries is a special place where people connect with God, with nature, and with each other. All this happens because of your support.

2023 was another great year made possible by strong donor support:

- **Because you give,** we were able to minister to 1,518 campers through our on-site programs, community day camps, and outreach programs.
- **Because you give,** we served 779 youth, families and adults through our year-round retreats and events last year. We also served over 2,400 additional guests through hosting 57 groups including family reunions, weddings, youth groups and church retreats.
- **Because you give,** we had another successful year financially and continue to keep our camper and retreat fees affordable so no one is turned away from camp for financial reasons.
- **Because you give,** we were able to hire over 25 young adults who were called to share their faith as our summer staff.
- **Because you give,** we were able to expand our programs and those we serve, including a new program, "Generations Connecting at Camp" which provides opportunities for senior adults from area assisted living facilities to come to camp for the day to interact with campers through games, songs, and other activities.

Thank you for faithfully supporting Badlands Ministries and ensuring its future. Your generosity brings faith to life. We look forward to another wonderful, busy summer and are grateful to all those who contribute to our ministry with faithful gifts.

Brent Seaks
Executive Director
